MUZIQ™ by LG®

Untangle the Mobile Music Experience

MUZIQ by LG, exclusively from Sprint, is an innovative music phone that comes packed with industry-leading features, including a built-in FM transmitter that lets customers listen to their tunes wirelessly through their car stereo or any other FM radio within 10 feet. Operating on Sprint's high speed mobile broadband network, MUZIQ by LG provides easy access to Sprint exclusive multimedia content, including Sprint Music Store's quick over-the-air song downloads, more than a dozen streaming radio applications and personalized streaming radio from Pandora. Additional key features include the ability to use other applications while listening to music and a 1.3MP camera/camcorder.
