

BlackBerry® Pearl 8130

BASICS:

- **Form factor:** Sleek, thin design with trackball navigation and Suretype keypad
- **Dimensions:** 4.2" x 1.9" x 0.6"
- **Weight:** 3.4 ounces
- **Memory:** 32 MB of RAM / 64 MB ROM (can increase by 4GB with microSD card)
- **Digital Dual-band:** CDMA 1XRTT/EV-DO Rev. 0 (1900 MHz and 800 MHz)
- **Data:** Sprint EV-DO (Rev. 0) and 1XRTT
- **GPS:** Built-in capabilities (assisted, autonomous and simultaneous)
- **Processor:** Qualcomm MSM6550
- **Battery Specifications:** Standard Li-Ion (900 mAh)
- **Bright, energy-efficient screen:** Vibrant TFT display with 65K colors and 240 x 260 resolution

FEATURES:

- **Sprint Mobile Broadband with Power Vision:** Experience EV-DO Rev. 0 data speeds averaging up to 400-700 kbps and peak speeds up to 2.0 Mbps when accessing Sprint Power Vision services and content. Supported Power Vision applications include:
 - **Sprint Music StoreSM:** Download stereo-quality tracks instantly over the air. Choose songs from thousands of artists in virtually every genre.
 - **Sprint TV:** Sprint Power Vision allows you to watch live TV – from channels you know – on the go with full-motion video and vivid sound at broadband-like speeds
 - **On-Demand:** Retrieve customized, up-to-date web content such as sports, weather, news, money and movie information with the push of a button. Available only from Sprint.
- **BlackBerry Push Technology:** Receive email and data automatically sent to your device. Supports up to 10 business and/or personal email accounts.
- **Phone as Modem (PAM):** Take advantage of Sprint Mobile Broadband on your laptop by using the device as a wireless modem (USB cable included). PAM capabilities included in all Sprint BlackBerry service plans.
- **2 MP Megapixel Camera/Camcorder:** 2 MP camera with 5X digital zoom and video capture.
- **GPS Capability:** Whether you need turn-by-turn driving directions or a smarter way to manage your mobile travel needs, Global Positioning Satellite (GPS) solutions can help get it done. Includes support for:
 - **Sprint Navigation:** Delivers voice-guided and on-screen turn-by-turn GPS-enabled driving directions, 3-D moving maps similar to an in-car navigation system or personal navigation device, as well as local search and real-time intelligent traffic alerts and one-click rerouting, anywhere on the Sprint Mobile Broadband Network.

- **BlackBerry Maps:** Allows users to find businesses, restaurants, concert venues and other important locations by entering addresses and viewing locations on maps and receive step-by-step written directions.
- **External microSD Expansion Slot:** Add memory for larger work files – presentations, reports, documents or transfer music, photos, and video from your desktop, or load additional games and applications. Cards up to 4GB supported; sold separately.
- **Built-in Bluetooth® Wireless Technology (v.2.0 with stereo support):** When used with your Sprint PCS Phone and compatible Bluetooth-enabled accessories, Bluetooth allows fast, secure transmission without cables or wires, even though the two devices are not in line-of-sight. Compatible Bluetooth-enabled wireless accessories sold separately.
- **Downloadable Applications:** Includes the Sprint PCS Software Store provided by Handmark®, an on-device software catalog enabling wireless downloads on-the-go. Customers can find, download and buy software, games, ring tones, graphics and other Windows Mobile Pocket PC applications simply and securely. Additional titles are available from the desktop PC at <http://softwarestore.sprint.com>
- **Built-In speakerphone:** Hands-free operation made easy
- **Media Player:** Features a media player with stereo headset jack so users can play downloaded music, video, audio files, pictures and ringtones.
- **Voice Command and Voice Activated Dialing:** Built-in speaker independent voice command allows users to look up contacts, place phone calls and access key information from the device.
- **Integrated Attachment Viewing:** Download, view and edit Word and Excel compatible files; rehearse PowerPoint presentations anywhere; consult important PDFs on the go.
- **Productivity Tools:** View and update your calendar, schedule appointments, checks your task list and more while you're on the go. Also includes a calculator, alarm clock and memo pad.
- **Full-Featured Phone:** including dedicated "send" and "end" keys, a built-in speakerphone, Bluetooth capability for wireless headsets and car kits, and support for polyphonic ring tones.
